## WEST VIRGINIA AVENUE PUBLIC WORKS CAMPUS MASTER PLAN

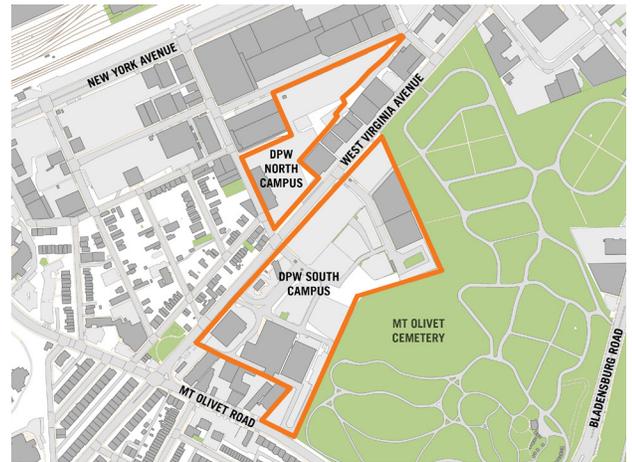

# GET INVOLVED!

### SCHEDULE

6:30pm Registration

6:45pm District Government Presentation

7:15pm Gallery Walk + Community Input

### PROJECT ENGAGEMENT

The DC Office of Planning, Department of General Services, and Department of Public Works have teamed up to develop a Master Plan for a world-class public works campus at West Virginia Avenue NE. Over the next 6 months, District agencies will be engaging local residents and key stakeholders to shape the campus design. Please join us for our first public open house to learn about the project and give us your ideas.

## WE NEED YOUR INPUT!

### NOW IT IS TIME TO REFINE AND REALIZE THAT VISION!

Check our project website for information updates at [planning.dc.gov/public-works-campus](http://planning.dc.gov/public-works-campus)

Submit hand-written comments or questions at the public meeting or directly to our office

Use social media, including [@OPinDC](https://twitter.com/OPinDC) - [#PublicWorksCampus](https://twitter.com/PublicWorksCampus)

Reach out to the Office of Planning [202-442-7600](tel:202-442-7600) or email [Christopher.Delfs@dc.gov](mailto:Christopher.Delfs@dc.gov)

### PROJECT VISION

In August 2014, the District published the Ward 5 Works Study, a strategy to transform 1,000 acres of industrial land in Ward 5 into a hub of green, food, tech and creative businesses that creates jobs, community amenities and better environmental performance for District residents.

Central to the Ward 5 Works strategy is the reinvention of the West Virginia Avenue Public Works Campus as a model of sustainable design that optimizes DPW operations and drives community development.
