

DC Department of Corrections reports two new positive cases of COVID-19

The DC Department of Corrections (DC DOC) has been notified that two additional residents in DOC custody have tested positive for COVID-19. There are 20 positive residents in DOC custody.

One individual is a 65-year-old male resident and the second individual is a 48-year-old female resident. The male resident was previously housed in the Correctional Treatment Facility, C Building. He is currently in isolation in the infirmary and being monitored according to the Centers for Disease Control (CDC) guidelines.

The female resident was housed in the Correctional Treatment Facility, E Building, her unit was quarantined on April 1st as a precautionary measure after an individual from the unit tested positive for COVID-19. She is currently in isolation on the Female Isolation Unit and being monitored according to the Centers for Disease Control (CDC) guidelines.

DC DOC's Medical Department and Unity Healthcare will continue working with DC Health on contact tracing and to protect the health and wellbeing of individuals in DOC's facilities.

Take care of yourself and one another. If you feel sick, do not come to work. Your health and safety are our top priority.
